**The big questions every store owner asks
us is "how much" and "what does it cost".**

These are the best questions to ask:

1. How much does it cost me.

Answer: It costs you absolutely nothing.
Not a single penny, nothing now and
nothing later. This is the only opportunity
on the market that is truly FREE to you.

2. What is in it for me:

Answer: Because you have allowed us to
place a self-contained digital screen
inside your store or on your ATM and you
have allowed us to run marketing ads on
this screen, we are going to pay you a
percentage of the revenue we receive
from our advertisers monthly.

**3. Additional to the fee we will also run
your provided content on the screens at
no cost to you. This gives you a
perceived value of about \$150 per
month.**

**We look forward to welcoming you into
our family and enjoying the FREE MONEY
we are excited to give you.**
